

AGRIVENTURE PROGRAMME PRICE GUIDE

AUSTRALIA 2012

Application

It is an advantage to apply as early as possible, as it will give AgriVenture more time and a greater opportunity to find the right placement for you.

To apply online, please click on 'Apply Online' and follow the instructions provided. If you are unable to apply online, please contact the office and we will be happy to send an application form out to you.

Agreement

Please complete the online Agreement Form for participation on an AgriVenture programme before attending your interview. (If you have received an application pack through the post, your Agreement form will have been sent through at the same time, please complete this before attending your interview)

Confirmation of Price

Once we have received your completed application, we will email you to confirm your fully inclusive programme price.

Interview

When we have received your completed application and you have confirmed that the programme price is acceptable, we will then arrange an interview for you.

Please can you take along the following to your interview:

1. Your User name & Password, so that you can view your online Application Form & Agreement Form
2. 6 passport photographs (8 if you are applying for 2 countries). You will need to write your name on the back of each photo
3. References from 2 employers (past or present). If you only have 1 employer's reference you can supplement with a reference from one of your teachers at school or college lecturer
4. Your deposit cheque for \$800.00 made payable to 'AgriVenture Global Ltd' alternatively you can pay directly to the bank – full details will be provided by your Programme Manager
5. Your Passport and driving license so that the interviewer can check the validity

Deposit & Full Payment

All programme prices include a \$800.00 deposit, which must be paid at the time of interview. The balance is to be paid no later than 60 days prior to departure. If your application takes place less than 60 days prior to departure the full price must be paid at time of application. Your application is not valid until you have paid the deposit.

Departures

Main departure months are listed – but if the dates or programme lengths do not fit in with your requirements, please contact us and we will do our best to arrange a programme for you.

Work Permits

These will only be valid for the length of your programme – if you choose to stay longer you will be responsible for applying for any necessary Visa extensions.

Insurance

We use Endsleigh Insurance Services Ltd, a member of the Zurich Financial Services Group. Full policy details will be provided to every Trainee prior to departure on any programme. Cover will only be provided for your programme length. This can be extended if you choose to stay longer – just contact the office in your hosting country.

PROGRAM OPTIONS FROM AUSTRALIA TO CANADA, USA, JAPAN, NEW ZEALAND, UK AND EUROPE

- Option 1 • AgriVenture Traditional**
- Option 2 • AgriVenture Plus**
- Option 3 • AgriVenture Workabout**

Not all three options are available in all countries, which will appear in the guide below.

About AgriVenture Traditional – Option 1

This is our most popular option – with a wide variety of placements offered by a vast number of host families. Practical experience is an advantage but not essential. The most important thing is your motivation, interest and flexibility.

About AgriVenture Plus – Option 2

You need at least two years full time industry experience in the area you want to work in (e.g. livestock experience, or cropping experience). There is an extra page to be completed on the application form and we also need you to provide details of a work reference so that your host family can make contact should they choose to. You will also be telephoned by your potential hosts to go through an interview session with them.

About AgriVenture Workabout – Option 3

Your first placement of at least one month will be arranged for you before departure. You should let us know how long you want this placement to be for. Then you will have access to a database of hosting/work opportunities in your chosen host country. It will be on your responsibility to make contact with those hosts to set up your next and subsequent work placements. If you want to do a shorter Workabout Program than the stated program lengths, please contact the office for a price.
