PROGRAM OPTIONS FROM CANADA TO EUROPE, U.K., JAPAN, AUSTRALIA & NEW ZEALAND

- Option 1 • AgriVenture Traditional**
- Option 2 • AgriVenture Plus**
- Option 3 • AgriVenture Workabout**

Not all three options are available in all countries, which will appear in the guide below.

About AgriVenture Traditional – Option 1

This is our most popular option – with a wide variety of placements offered by a vast number of host families. Practical experience is an advantage but not essential. The most important thing is your motivation, interest and flexibility.

About AgriVenture Plus – Option 2

You need at least two years full time industry experience in the area you want to work in (e.g. livestock experience, or cropping experience). There is an extra page to be completed on the application form and we also need you to provide details of a work reference so that your host family can make contact should they choose to. You will also be telephoned by your potential hosts to go through an interview session with them.

About AgriVenture Workabout – Option 3

Your first placement of at least one month will be arranged for you before departure. You should let us know how long you want this placement to be for. Then you will have access to a database of hosting/work opportunities in your chosen host country. It will be on your responsibility to make contact with those hosts to set up your next and subsequent work placements. If you want to do a shorter Workabout Program than the stated program lengths, please contact the office for a price.
